

MEGCOM DYNAMIC SOLUTION SDN. BHD.

Incorporated in Malaysia
(Company No.: 1135193-D)

INTRODUCTION

MEGCOM DYNAMIC SOLUTION SDN. BHD. (Company No. 1135193-D) was incorporated on 13th March 2015. Though we are still newly incorporated, we have been in the business of M&E Engineering businesses since year 2003 whereby we have been with enterprise company, Megcom Dynamic Solution and Megcom Engineering. Since the past thirteen (13) years in the business, we have gone thru ups and downs and most importantly, the business acumen, experiences, perseverance and skills earned has made us strong and capable of doing small jobs to bigger contract worth more than RM1 Million above.

In summary, we have pool of experiences in Electrical control system, Process instruments, Water Treatment plant process and Marines Industry. The principle business concentration would be in Mechanical Electrical Engineering. Our main objective is to fulfill your entire requirement, which is preferred to own and consume a high quality product that can meet your needs today. We have a very talented and experienced people to help you in whatever problem and situation in many points of view professionally.

“We, the team of Megcom Dynamic Solution Sdn Bhd as a one of Bumiputra Company are meeting the challenges of today’s needs... Let our service bring you peace of mind for your Mechanical and Electrical problem by solving it...”
